Re:

BellSouth Telecommunications, Inc.'s Entry Into Long Distance (InterLATA) Service in Tennessee Pursuant to Section 271 of the Telecommunications Act of 1996

Docket No. 97-00309 (3-00) 79

Dear Chairman Kyle:

Enclosed are fifteen copies of a revised rate sheet for the Tennessee SGAT. The rate sheet has been revised to reflect corrections on pages 8 and 16. The changes on page 8 are to correct a calculation/formula error in the file. The change on page 16 is to reflect a correction of a typographical error. Corrections on both pages are noted with a "c" in the far right-hand column. Please incorporate the enclosed revised rate sheet into the Tennessee SGAT on file with the Authority. BellSouth will see that these corrections are incorporated into the SGAT that is posted on the website.

Thank you very much. Copies of the enclosed are being provided to counsel of record.

Ouy M. Hicks
